

## *A Few Comments About Our Musical Services*

“Bill and I want to thank Starlite Strings for providing the wonderful music for our wedding and reception. You helped make it a perfect day.”

Carole & Bill

“Thank you to both of you for helping make our wedding a gracious, relaxing and fun event. My parents especially enjoyed dancing to your accompaniment, as I’m sure you could see, and everyone enjoyed our first dance.”

Mary & Don

“Thank you so much for creating the music for both our wedding and reception. Your attention to detail, and your effort to truly create the mood and atmosphere we desired was second to none. From the string quartet to the seven-piece orchestra with vocalist, everything was magical!

“Our guests have been complimentary ever since.”

DeAnn & Jack
